

**REMARKS-General**

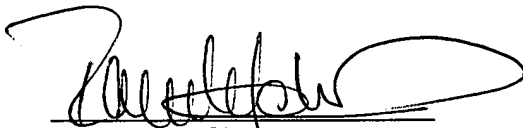

Upon review of the original specification, the applicant has amended the original specification which is deemed to more clearly and distinctly describe the subject matter of the instant invention. No new matter has been included.

The newly drafted independent claim 20 incorporates all structural limitations of the original claim 1 and includes further limitations previously brought forth in the disclosure. No new matter has been included. All new claims 20-42 are submitted to be of sufficient clarity and detail to enable a person of average skill in the art to make and use the instant invention, so as to be pursuant to 35 USC 112.

A total of 23 claims including one independent claim and twenty-two dependent claims are presented, a check in an amount of US\$27 is submitted herewith to pay the additional filing fee for 3 additional claims in excess of twenty. This amount is believed to be correct; however, the Commissioner is hereby authorized to charge any deficiency or credit any overpayment to Deposit Account No. 502111.
